

Add Bows, Add Profits

Add bows to your holiday product offering by placing them on gift packages, baskets, wreaths, trees, centerpieces, mailboxes, light posts, or any other holiday decor.

Add profit to your bottom line with a 76 percent average profit margin for every bow you make!

Make entrances more inviting with door hangers made from custom bows. Find instructions for "Value-Added Bows" at "Instruction Sheets" on MasterBow.com.

Gift baskets are more appealing—and command higher prices—when decorated with elegant bows.

Add success to your business with the unlimited profit potential of the Qualatex MasterBow® System, which includes the Qualatex MasterBow Maker, marketing support materials, an instructional DVD, and the Qualatex MasterBow Ribbon Swatch Book. You can make consistent high-quality, picture-perfect bows in only three minutes with this system—plus you can design custom bows that will keep customers coming back.

To order, contact your Qualatex MasterBow distributor. To find a distributor, visit “How to Purchase” on MasterBow.com.

To place an order with Pioneer Party Group, contact your representative or call 1-800-386-4438 or 316-685-2266 outside the USA.
